**Live Life Like It Matters For Eternity**

---

**Our Cloud of Witnesses**  
**Hebrews 12:1-2**

Whether is be the heroes of faith in the bible or our own heroes of faith in our congregation we take encouragement from their example to move forward in our own faith and live our lives for God. Today we will examine some of these heroes and see what they have to tell us.

1. Faith in God – Heb. 11:1-2, These great examples;
  - A. Enoch vs. 5-6, beginning of faith
  - B. Noah vs. 7
  - C. Abraham vs. 8-12, Sarah vs. 11
  - D. Too many others to mention- vs. 32-38
  - E. Why? They were looking for something better vs. 14-16, 39-40
2. What about the great examples in our own lives?
  - A. As Timothy’s mother and grandmother were in his life- 2 Tim 1:5
3. Running our Race- Heb. 12:1-3
  - A. These heroes “bear witness” for us about the value of faith.
  - B. We must “lay aside every weight”
  - C. Without belief the race is lost
  - D. How to win the prize- Romans 2:7
4. Focus on Jesus- vs. 2
  - A. The author and finisher of our faith
  - B. He has already done it!
  - C. “Consider Him”, what He endured not on the cross but before so that we can have victory through Him!

Heb. 11:10 For he was looking forward to the city that has foundations, whose designer and builder is God. Abraham was looking for something better and found it through Christ- so can we! Rev 21:1-4, **Best is yet to come!**

### THOUGHT FOR TODAY

"If you don't heal what hurt you, you'll bleed on people who didn't cut you." Unknown

### SCRIPTURE FOR TODAY

Encourage one another and build each other up.  
 ~1 Thess. 5:11

## ENCOURAGING WORDS

### Give And Take

"The way of a fool seems right to him, but a wise man listens to advise" (Proverbs 12:15).

Do I always have everything figured out and every situation sized up properly? Am I completely without "blind spots" in my judgement? Are my opinions on given matters always on the money? Is my insight infallible? Of course not, to all the above. What about you? Ok! That's true with all of us. We should be open to suggestions, to advice. Concerning advice, someone once said, "It takes a great man to give sound advice tactfully, but a greater to accept it graciously."

Advice is like snow, the softer it falls, the longer it remains, and the deeper it sinks into the mind! This is a good thought to keep in mind when attempting to give advice, know your facts. Know the person. Speak out of loving concern and interest. Be careful not to be like Job's counselors. "Miserable," Job called them! An old Arab proverb says, "Never give advice in a crowd. Admonish privately, but praise them openly."

When receiving advice, it behooves us all to look at it carefully. They may be right, it might work! Many people receive advice, only the wise profit by it. Remember Rehoboam! He was intelligent enough to listen to advice, but not smart enough or wise enough to properly evaluate it. As a result, his kingdom was divided (1 Kings 12). Again, let's be open to Solomon's counsel that "a wise man listens to advice."
