- Please keep all those **traveling** for the holidays.
- Several of **our number** were under the weather last week with colds. This is the time of the year for that. Please keep them all in your prayers.

THOUGHT FOR TODAY

Everything we do should be a result of our gratitude for what God has done for us.

SCRIPTURE FOR TODAY

*And whatever you do, in word or deed, do everything in the name of the Lord Jesus, giving thanks to God the Father through Him.
~ Colossians 3:17*

ENCOURAGING WORDS

How Big Is Your God?

No one ever said that life would be easy. As we reach maturity, those problems we had growing up seem comparatively insignificant with the problems which may surround us now. Life is not easy!

However, there is something a Christian has which makes life vastly different from those in the world. It does not matter what is happening, for the eyes of our God are over us, His ears are open to our prayers and His face is against those who trouble us. **(1 Pet. 3:12)** Our problems often seem far greater than our abilities to deal with them, but we must remember that our God is greater than our problems!

Paul described the limitless power of God in his letter to Ephesus. *"He is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us."* **(Eph. 3:20)**. Read that passage slowly and notice the character of God. God is able. He is able to do what we ask. He is able to do what we ask or think. He is able to do more than we ask or think. He is able to do abundantly more than we ask or think. He is able to do exceedingly abundantly above all that we ask or think!

When Paul was traveling to Rome, his ship was caught in a tempestuous storm. For two weeks, they were driven by the ferocious winds and no one knew where they were. Luke described the situation as, "All hope was lost." Yet, read Acts 27:21-25 carefully and see the hope Paul had in this situation. God was greater than his problems! That same God is your God, and He is greater than your problems!

The next time you look at what is happening in your life just remember that the question is not, "How big is your problem?" The question is, "How big is your God?"
