THOUGHT FOR TODAY

Warm words spoken from the heart can instantly melt away feelings of fear and intimidation.

SCRIPTURE FOR TODAY

My comfort in my suffering is this: your promise preserves my life. ~Psalm 119:50

ENCOURAGING WORDS

God's Justice!

The cry of injustice can never be ignored in heaven. Cain may have thought that the killing of his brother was nothing, but the reality is that the blood of Abel was crying out to heaven for justice! What a lesson every person on earth must know. There is no such thing as injustice that God does not punish in His own time.

God and the injustice of the Jewish nation. Jesus' parable in Matthew 21 concerns the vineyard and those tenants who refused to give the fruit of the vineyard to the owner of the vineyard. He finally sent his son, thinking that they would not mock, beat or kill him, like they had done to those who first came. The Jews, at first, did not comprehend the parable and that the application concerned God, the prophets and His Son. They unknowingly pronounced their own destiny when they said that the owner of the vineyard would miserably destroy those wicked men. God had been patient with the Jews for 1,500 years as they killed the prophets and even waited forty years after they killed the Son. He then brought the worst tribulation there will ever be, but He did it in His own time.

God and the injustice of America. One cannot read history without seeing the truth that God will "send to the realm of the dead" every nation which forgets Him. (**Psa. 9:17**) We once proclaimed we were one nation *under* God, but our sins are announcing we want to be a nation *out from under* God! We must remember that He is not mocked and whatever we sow we shall reap. (**Gal. 6:7**) If the blood of Abel cried out to God for justice, how much more the nearly 50,000,000 aborted American children! **God and the injustice of all mankind.** Justice is His nature. Every transgression and disobedience will receive just punishment. (**Heb. 2:3**) The fact that it does not happen immediately means nothing. God deals with it in His own time!
