ENCOURAGING WORDS

Mountain Tops and Valleys

Our Spiritual lives are not always characterized by "mountaintop experiences." It was wonderful for Moses to be in the presence of God on Mount Sinai, but eventually he had to leave the mountain and return to the reality of dealing with the Jewish rebellion in worshiping the golden calf.

Elijah experienced this same problem in the contest he had with 450 prophets of Baal on Mount Carmel. The fire from heaven totally consumed the prophet's sacrifice and shortly afterwards there was the slaughter of all the false prophets. Yet, when Elijah descended from that mount, he was so overwhelmed with the sinfulness of Israel, he asked God to take him, for he thought he was the only person in Israel who faithfully served Jehovah.

"Mountaintop experiences" are so wonderful. There are those times when we see great spiritual victories and figuratively are on top of the world. Thank God for "mountaintop experiences."

However, the reality is that life always has deep "valleys" when we must leave the mountaintop. Life probably has more valleys than it has mountaintops. Situations develop and doubts and fears seem to threaten our faith. Do not despair. Look at those heroes who were in that same situation. Abraham, Isaac, Moses, Joshua, David and Daniel are just a few of those who were fearful when in the valleys of life.

There is a great principle of life to be learned when we look deeply into the lives of our Biblical heroes. Godly people have always had clouds of adversity around them. All mankind has valleys, but Christians have something others do not have. When we are walking in valley of death may our hearts proclaim, "I will fear not evil for You are with me. Your rod and Your staff, they comfort me." Thank God for those "mountaintop experiences," but let us thank God for the blessing of His help in the valleys!
