THOUGHT FOR TODAY

Peace. It does not mean to be in a place where there is no noise, trouble or hard work. It means to be in the midst of these things and still be calm in your heart.

SCRIPTURE FOR TODAY

Now may the Lord of peace Himself continually grant you peace in every circumstance. The Lord be with you all!

ENCOURAGING WORDS

The Bottom Line

As we make decisions, we all want to know what is on the bottom line. There may be several paragraphs with details, but we all want to get to the end because the bottom line clearly states the vital facts. It is so important that we examine the closing paragraphs of truth to see "the bottom line" of Christianity.

There is an Almighty God. If this is not true, then there is no bottom line of Christianity. If there is no God, there is nothing beyond the grave, for there was nothing before birth.

The Almighty God, the Creator, has revealed Himself. Even if He existed, there is nothing about His existence that impacts our lives unless He has revealed Himself.

The Almighty God has revealed Himself in a way we can understand Him. Unless He has revealed Himself to common people like us, there is no way to respond to Him, for there is no way we can know about Him.

The Almighty God has revealed Himself by becoming a man, living among us and revealing Himself through this "man." Jesus is a man of history. Even if there was no Bible, there is overwhelming proof that He lived.

The Almighty God has proven that the man of Nazareth is the Son of God. The blind did see, the deaf did hear, the lame did walk, the lepers were cleansed, the tempest was calmed and the dead were raised. The final unanswerable truth is the empty tomb. Jesus of Nazareth was raised from the dead!

The Almighty God has given all authority to Jesus, and He will judge by how we respond to this authority. God is! He has revealed Himself! He has revealed Himself so that we can understand Him! He has come and lived as a man and revealed Himself to us! He has been raised from the dead! He did ascend to heaven's throne! He will return to judge us someday!

Be sure to read the bottom line of Christianity, it's that important!!
