ENCOURAGING WORDS

The Path to Sin

Listen to the words of a man God loved as he talks about sin: "*I have hidden your word in my heart that I might no sin against you.*" (**Psa. 119:11**). Hear his answer to the question about how a young man can cleanse his way, "By living according to your word." (**Psa. 119:9**). Pay close attention to the prayer offered. "*I seek you with all my heart; do not let me stray from your commands.*" (**Psa. 119:10**).

Yet that young man in his adult life, lusted after another man's wife, committed adultery with her, devised a plan to kill the husband. You know who he was. He was David, the man after God's own heart. What happened? To understand this story is to fortify our faith and keep us from making the same mistake.

James chapter one describes the path to sin that David walked. "*Each one is tempted.*" That includes David and all of us. Where does the temptation come from—not from Satan putting any man in a situation where he has no other choice but to sin. James says that temptation comes from the desires of the flesh. "*Each one is tempted when he is drawn away by his own desires.*" His own lusts begin to rule in his heart, and he is enticed. This is precisely what happened to David. He watched a beautiful woman and the enticement carried him another step as he then acted on his fleshly desire.

But it does not stop at this point. James describes it using these words. "*It gives birth to sin.*" The line has been crossed and the door opened into David's heart and it became the source of all of the other sins that followed.

Look at James words again. "Sin when it is full grown, brings forth death." Think of the power of *full grown* sin. Joseph's brothers were envious of Joseph's coat and the dreams of Joseph. Look at *full grown* sin. Some wanted to kill him. When temptations comes, we must never forget what *full grown* sin looks like!
