THOUGHT FOR TODAY

We have to pray with our eyes on God, not on the difficulties.

SCRIPTURE FOR TODAY

Finally, be strong in the Lord, and in the power of his might. ~ Ephesians 6:10

ENCOURAGING WORDS

God Gave You a Brain

Have you ever heard this phrase "God gave you a brain—use it" Our world has been changed in so many ways simply because we have used the intelligence we have to look around and see things as they are and then to make changes to improve our circumstances. We have the ability to think, to understand, to comprehend and to change. We are far more than animals, and we are so far above beasts. We have a brain, and God expects us to use it.

Faith is not blind faith. To simply define faith as some emotional feeling which has been passed down from our forefathers and as something we have because it is part of the culture into which we were born is to fail to understand faith in its truest sense. Faith is not based on feelings. Faith is not a leap into the dark. If that is all there is to faith, then faith is foolishness, and our intelligence demands it must be rejected. Faith is built on historical events recorded by those who heard the voice of God give the first written words of an ancient book and recorded not just the words, but the manifestation of the power of the One who spoke those Ten Commandments.

The true God challenges us to not have a blind faith. The God of that ancient book has challenged men to think. He gave mankind reasoning ability and throughout the years has pleaded with them to think. When mankind ignored Him and began to make gods of wood, stone and precious metal He challenged them. In one paragraph, He rebukes those who failed to think. *"But their idols are silver and gold, made by human hands. They have mouths, but cannot speak, eyes, but cannot see. They have ears, but cannot hear, noses, but cannot smell. They have hands, but cannot feel, feet, but cannot walk, nor can they utter a sound with their throats."* ([Psa. 115:4-7](#)).

What is God saying? I gave you a brain, use it and I will help you find the living God who speaks, sees, hears, smells, handles and walks among you!
