THOUGHT FOR TODAY

Pause to smell the roses, to breathe, to take a quiet moment for yourself. Let today be a day to remember that you get to choose how you spend your time.

SCRIPTURE FOR TODAY

Pause a moment, and listen; consider the wonderful things God does. ~ Job 37:14

ENCOURAGING WORDS

Where is your Joy?

Make a joyful shout to the Lord, all you lands! Serve the Lord with gladness; Come before His presence with singing" (Psa. 100:1-2). These are strange words when one considers all the trials David faced. They began at the slaying of Goliath, continued for years as a fugitive from the jealous wrath of King Saul and then the rebellion lead by his son after he became king. Joyful shouts? Serving with gladness? Singing in His presence? How can one possibly find joy and gladness in the midst of all of this adversity?

Consider these thoughts and make application to your life.

True joy comes from exalting Lord as God. "Know that the Lord, He is God." While we may have become disheartened over the months because we have had little control in many aspects of our lives, one eternal truth has not changed. Our Father is greater than any trial we face. How do we face our Goliaths? Knowing that God is in charge will always result in our victory, and our response will be the coming into His presence with **joyful** singing!

True joy comes from realizing He has made us. "It is He who has made us, and not we ourselves." Whenever we think that our happiness and fulfilment come from our dealing with adversity, we are doomed to failure. He is the Creator, and we are the created ones. We are not in charge and looking inward will never bring happiness and fulfilment. David destroyed the giant but not from his own skills as a warrior. David knew that the Creator was the One who fought against his enemy. The result is **joyful** praise and thanksgiving.

True joy comes from coming before God and praising Him. Covid has robbed us of assembling over the past several months, and we have been robbed of coming into His presence and His courts and finding the joy which comes from singing and praising His name as we once did.

We are back and must not let anything rob us of true joy!
