ENCOURAGING WORDS

Last Words

I am not sure the reason, but it seems that many remember the last words spoken to by those who are deceased. Those words sometimes reflect the last thoughts of those who are dying and the final message they give. Consider these last words of the saints of God.

Those Old Testament saints spoke words to remind those still on the earth that God still reigned. Jacob and Joseph gave instructions that were tied to the fact that God was in their lives. Joshua left a large stone as a visual reminder that would be there many years to remind the Jews of the vows they had made to God.

The last words of Jesus before He died are well known. "*Father into your hands, I commit My spirit*" (**Luke 23:46**). These words, first spoken by David (**Psa. 31:5**) in the midst of his trials, were so much in the heart of Jesus that they comforted Him as He died.

Stephen was the first Christian martyr, and he fully understood the principle of Jesus and heaven. As he was being stoned, he visually knew Jesus awaited him in heaven. He said, "*Lord Jesus, receive my spirit.*" Then as he died, he said, "*Lord, do not hold this sin against them*" (**Acts 7:59-60**).

Those who heard the final words of Jesus and Stephen could never forget those words about what death really was like. Death is that time when our souls depart from this body and are received into the hands of God. What a blessing death is when viewed in this way. What a blessing it is to think that Jesus showed Stephen this truth. Of greater significance, what a blessing that He has showed us.

Your final words? They may not be nearly as important as the final message you leave by the way you lived.
