CAROL'S PANTRY

Carols' pantry is in need of a few items: Cold Cereal, Peanut Butter, Canned Pasta, Chili, Soups & Crackers. It has been recently visited to check expiration dates and is now in need of filling some of the shelves. If you know anyone in need, please share this with them.

THOUGHT FOR TODAY

The problem is not that there are problems.
The problem is expecting otherwise, and thinking that having problems is a problem.

SCRIPTURE FOR TODAY

Though I walk in the midst of trouble, you preserve my life. You stretch out your hand against the anger of my foes; with your right hand you save me. The Lord will vindicate me; your love Lord, endures forever—do not abandon the works of your hands. ~ Psalm 138:7-8

ENCOURAGING WORDS

Let's All Be Nice!

Do you feel like it's harder to be nice these days? Some people today seem extremely negative, extremely hurtful and extremely angry. Some people today throw niceness back in the face of those who extend it. Some people today make being nice awfully hard. *Be nice anyway!*

When your own family members let you down, say things that hurt, forget to do things they promised to do, ignore your efforts to show kindness, dump everything on you and expect you to handle it all, fail to do their part with household and family needs, act one way at home and a completely different way at church, don't seem to trust you, make selfish decisions...*be nice anyway!*

When your friends—even some friends that you thought were your "good friends"—disappoint you, make choices that slight you, treat others better than they treat you, are not always consistent, seem to be hot or cold around you without explanation, talk about you behind your back, choose to hang out with others instead of you, befriend some folks you don't particularly like, forget special days or special events, seem to ignore your messages...*be nice anyway!*

When people in the world mistreat you, mess up your food order, cut you off in traffic, cut you in line at the store, take forever to order in the drive through line, lie about you online, lose something that belongs to you, find satisfaction at your misfortune, refuse to do even the smallest thing to help you, insult you, exploit you, capitalize on your mistakes...*be nice anyway!*

Are you kidding? Be nice anyway? Why? First, it is what Jesus would do! Second, it is actually what Jesus did! Third, it is what the Bible teaches us to do! **Rom. 12:14-21** Fourth, it is the only way to go to heaven! **Matt. 5:11-12**
