ENCOURAGING WORDS

Do It Again!

When we became a Christian, our lives were changed as the old man of sin died, and in baptism we became a new person. "For as many of you who were baptized into Christ have put on Christ" (**Gal. 3:27**). We began our new lives seeking to follow the example He set for us. However, some Christians lose sight of this goal and become complacent and stop growing.

This is what happened in the churches in Galatia. Paul established these churches on his first missionary journey and apparently visited them on each of his journeys. False teachers had come among them, and they were about to leave the Lord. "I am astonished that you are so quickly deserting the one who called you to live in the grace of Christ and are turning to a different gospel"— (**Gal. 1:6**) Paul had witnessed their transformation, but it had stopped. His agony and anxiety, described as being a labor, had returned.

What is the solution to those who have stagnated in their growth into the full image of Christ? The church in Ephesus had done this. While they had not left the Lord, He said to them, "You have left your first love" (**Rev. 2:4**). That devotion and joy they had when they had become Christians had diminished. He then told them the solution to this problem, "Consider how far you have fallen! Repent and do the things you did at first. If you do not repent, I will come to you and remove your lampstand from its place." (**Rev. 2:5**).

Christians can remember the joy they had when they were saved and how fervently they worshiped and the zeal they had in their lives. The solution for our stagnation is simple. Do the works *again*. Serve the Lord *again* with that enthusiasm we once had. Do it *again*!
