OUR MONTHLY POTLUCK

THOUGHT FOR TODAY

Sometimes it's easy to point the finger at others and not make application to ourselves first. Sometimes we might use a verse to talk about other people and think it only applies to them (and not us). Before we ever censure others, we must first make the application to ourselves!

SCRIPTURE FOR TODAY

But be doers of the word, and not hearers only, deceiving yourselves. ~James 1:22

ENCOURAGING WORDS

Who Are You Listening To?

Who are the most common people that we "listen to" today?

- For some of us, it's our mom and dad, or our grandfather or grandmother. The wisdom of those generations is something we ought to cherish.
- For some of us, we listen to what our friends have to say. We care about what they think.
- For some of us, we listen carefully to what a teacher says or what some scientist has discovered. We respect those who are trained in certain fields.
- For some of us, we listen to what politicians say. We expect our local, state, and national leaders and representatives to look out for our best interests and communicate with us about what is happening.
- For some of us, we listen to the media. We look to those who have insight and access into matters that we do not and assume they will tell us the details of what we need to know.
- For some of us, we listen to our inner voice. We do those things that seem right to us in the moment.

There are certainly a lot of different "voices" that we listen to and pay attention to today. However, are these the most trusted sources? How can we be certain that we are not led astray down the wrong path?

There are many powerful voices out there that desire/demand to be heard. But, when it comes to those matters of ETERNAL consequence—such as holiness, righteousness, faith, salvation, baptism, the church, worship, morality, the sanctity of life, sin, etc.—the ONLY voice that matters is JESUS! He will judge all mankind, at the end of time, by the standard of His Word. (**Acts 17:30-31; John 12:48**)

Don't get caught up listening to the wrong voice... listen to Jesus!
