ENCOURAGING WORDS

Lessons From Rose

As some of you know, there's a new dog in my household. After 10 years, we lost our beloved English Bulldog Millie several months ago and I had decided, during a time of mourning, that enough was enough...no more dogs! Somehow that all changed as Rose came into my life. Now, I have never raised a puppy before as that had always been Anne's job which she did with ease...not me! I now have a dog bouncing off the walls that cannot keep her mouth free of something forbidden for more than 10 seconds. As I watched her mannerisms, it got me thinking of some spiritual lessons that we can learn from a puppy!

Rose is always curious and excited! Puppies are eager to experience the world fresh and new. I think that most Christians have felt this way at one point or another in their walk. Sometimes, however, we seem to lose our excitement and become overwhelmed by the cares of this world. We need to be like the author of Psalm 119 and be excited about God's word and how it impacts our lives.

Rose always gives 100%. If you have seen any new puppy, you know they are either all gas or all brake. Everything Rose does requires her full attention and effort. Likewise, God wants our entire heart. **Matt. 22:37b** "You shall love the Lord your God with all your heart and with all your soul and with all your mind. **Col. 3:17** And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through Him.

Rose knows how to have fun! Puppies are hard work and sometimes a hassle, but they know how to have fun. Christianity is sometimes hard work and a headache. We like to talk and think about how miserable we are on behalf of Christ. Sometimes, however, we need to remember we live the best life. **Romans 14:17** "For the kingdom of God is not a matter of eating and drinking but of righteousness and peace and joy in the Holy Spirit."

Now I know that not everyone is a dog person, but hopefully you can see that this article is not about dogs. God has given each of us the gift of life to be used to His glory. It includes being curious and excited about the wonders of His creation, giving 100% to the work of the Lord, and having fun while teaching others about the good news of Jesus Christ. Something to think about!
