**ENCOURAGING WORDS**

"Make an Impact!"

Some things just stay with you. I heard General Norman Schwarzkopf speak not long after the first Gulf War. He told a story about his first command and its early failure that eventually became success. The point to remember was, "when put in command, take charge". Henry Ford was asked how and why he came to develop the automobile despite no understanding of or demand for it. He replied, "if I had asked them what they wanted, they would have said, 'faster horses.'" The vision to see what others cannot, is rare and impacting.

You have your own list of impacting things said, moments lived, and experiences shared. They live in your head, in a quiet place, but play a role in your thinking. That is sort of how life is don't you think? Life consists of a lot of time filled with things that matter little and are remembered less, along with a handful of impacting moments like watching my soon to be wife walk down the aisle in April of 1978. Or being in the room when my kids took breath one as they entered this life.

I was speaking to a former member the other day and he mentioned a comment that I had made to him quite some time ago that he still remembers to this day. He said in had made an "impact" on him. Interestingly enough, as Christians, that is EXACTLY what we called to do!

If you are curious about how to make an impact, modeling Jesus is a great place to start. The most impacting words ever spoken, were spoken by Jesus Christ. His teaching is timeless, transforming and trajectory changing. He is the way, the truth, and the life (**John 14:6**). His most humble attitude was displayed on an unjust cross, as God's Son chose to allow his own humiliating death (**Philippians 2:8**). He came to serve not to be served and backed it up with his actions (**John 13:12-15**). Be mindful of the impact you can have by offering a well-placed word, displaying a humble attitude, and acting with a servant's heart.

We have the opportunity to restart our community outreach to the Bridge House. It will be the 4th Saturday of the month, starting March 25th. Many hands make light the work so let's all get ready to support this great outreach.

**THANK YOU**

We received a nice thank you not from Alora Cottam following the loss of her son Rick. She appreciated all the cards, calls, flowers, meals but more importantly the prayers on her behalf. We love you Alora and will continue to be here for you!

**A NICE NOTE**

We received a nice note from Karen House thanking all the ladies for the prayer grams she received following the loss of her husband. She greatly appreciated us reaching out. It is posted in the foyer.

**THOUGHT FOR TODAY**

He who spends time regretting the past, loses the present, and risks the future.

**SCRIPTURE FOR TODAY**

*We should live soberly, righteously and godly, in this present world, looking for that blessed hope, and the glorious appearing of our Savior Jesus Christ. ~ Titus 2:12-13*
