SCRIPTURE FOR TODAY

For in this hope we were saved. But hope that is seen is no hope at all. Who hopes for what they already have? But if we hope for what we do not yet have, we wait for it patiently.

Roman's 8:24

ENCOURAGING WORDS

Our Purpose

What is the purpose of the Lord's church? Is it to eradicate poverty, disease, social injustice? Is it to bring about a cessation of war and conflict? Is it to campaign for a temptation-free society for Christians to live in? This is a topic that has been discussed, and even argued, within religious circles for ages.

- The purpose of Christ's church **is** to save souls and prepare people for eternity-
- It holds out to the poor the hope of someday walking a street of gold.
 - To those suffering a time when there will be no pain.
 - To those mourning a moment when "God shall wipe away all tears from their eyes."
 - It tells all to live godly lives in whatever environment they find themselves.
 - It seeks to change people through the power of the gospel.

When **churches, not individuals**, become involved in hospital and health clinic work, or when they build schools for the education of their children, or when they see as one of their great missions to provide for the world's poverty, or when they feel obligated to create social upheaval and campaign for human rights, or when they feel called upon to express their views on the government's use of nuclear armaments or whatever, they have a distorted view of the purpose of the church.
