**THOUGHT FOR TODAY**

I will not let anyone walk through my mind with their dirty feet.

**ENCOURAGING WORDS**

**Oh, Those Letters in the Sand!**

Pat Boone's raise to fame with his rendition of "Love Letters in the Sand" in the late 50's... remember?! He sang about how he and his loved one wrote "Love Letters in the Sand" and how his heart was broken as the incoming tide washed those letters away. Think about this for a moment, and you can see there are many things in our life we need to have washed away.

Sometimes we need to wash away the anger in our lives. Anger itself is not sinful. It is a godly quality. The psalmist said, "God is a righteous judge, a God who displays His wrath every day." **(Psa. 7:11)** However, He also said, *Tremble and in your anger do not sin; when you are on your beds, search your hearts and be silent.* **(Psa. 4:4)** Jesus is the One we strive to emulate "He looked around at them with anger and was deeply distressed at their stubborn hearts." (Mark 3:5) So, the next time you see evil, or when someone has wronged you, remember we are commanded, "In your anger do not sin: Do not let the sun go down on your anger." **(Eph. 4:26)**

Also, write your sins of the past in the sand. Far too many Christians, even knowing they are forgiven, carry the guilt of past sins and this discourages them. You can never forget past wrongs, but you can let them be overshadowed by the remembrance of that time when God forgave them. He forgives the ungodly when they are baptized, but He forgives the godly when they acknowledge their sins. We should be thankful that He has said, "If we confess our sins, He is faithful and just and will forgive us our sins and purify us from all unrighteousness." **(1 John 1:9)**

Get rid of the burden of guilt, write those wrongs in the sand and let His blood wash them away!
