ENCOURAGING WORDS

A Day of Remembrance

Tomorrow is *Memorial Day*, a national holiday. It is observed each year on the last Monday in the month of May. The holiday, formerly known as *Decoration Day*, commemorates military personnel, men, and women, who have died while in service to the United States of America.

The original purpose of *Memorial Day* was serious and probably evoked considerable reflection. It was common for people to visit grave sites of loved ones who had died in military service on that day. Today, *Memorial Day* seems to be more about having a day off work, going on a picnic with the family, and watching the *Indianapolis 500*. While those might be worthy endeavors, the real purpose of the day is what makes it special. Forgetting completely what *Memorial Day* is about leaves us more vulnerable to would-be enemies who would put us under their subjection.

Today is Sunday, the first day of the week, *the Lord's Day!* It is a *Memorial Day* that far surpasses in significance the holiday our nation will observe tomorrow. This is a day when the Christians who make up the Lord's church are to gather together to worship God and remember the death of our Savior on the cross and announce to the world that He is risen and that He is coming again!

Unfortunately, as with that other *Memorial Day*, many seem to have forgotten the real significance of *the Lord's Day*. For many it too has simply become a day off work, a day to sleep late, to work in the yard, play golf, go to the park, or to pursue any of a hundred other personal endeavors. Forgetting what this day is all about leaves us vulnerable to the most dangerous of all enemies, Satan himself, and our careless forgetfulness opens the door to once again becoming his slaves, bound by the chains of sin. *We need to remember!*
