**ENCOURAGING WORDS**

**It's Not a Ritual!**

Because it happens every week, it is easy for the partaking of the Lord's Supper to become somewhat of a religious ritual, and we fail to understand the part it plays in our spiritual growth. The abuse of this feast in Corinth brought dire consequences. "That is why many among you are weak and sick, and a number of you have fallen asleep." (1 Cor. 11:30) If one does not remember Jesus and discern His body as he partakes of the bread and cup, he eats and drinks damnation to his soul.

In the New Testament we remember Him, but in the Old Testament they remembered their deliverance from Egyptian bondage. From the time the Sabbath was given until the close of the Old Testament, there was not a weekly assembly, but a time when the Jews, their families, their Gentile neighbors, and even their animals stopped all activity and spent that day thinking about God delivering them from bondage.

So, what happens to us as we remember, not the sabbath, but the Lord in His feast? Peter described those who were failing to add the "Christian Graces" to their faith when he says, "But whoever does not have them is nearsighted and blind, forgetting that they have been cleansed from their past sins." (2Peter 1:9)

The Lord's Supper is a weekly reminder of how He purged us from our sins and delivered us from the bondage of sin. It is a time we examine ourselves as we visit the cross. The Lord wanted Israel to remember deliverance from the bondage of Egypt every week and gave them a memorial day to ensure their spiritual growth. The Lord wants us to remember our deliverance from the bondage of sin every week and has given us a memorial feast to ensure our spiritual growth.

As you eat the bread and drink of the cup, never let it become a ritual. But let it be that time when you commune with Him around His table and visit the cross of our salvation.

R. Senior
