ENCOURAGING WORDS

The Promises of a Loving Father

There are some very important promises that God, as our heavenly Father, has made to each of us. And since He has made such promises to us, we as parents should use them as a template of the promises we should be making to our children at any age. **I promise to be there for you.** God promised Jacob to always be with him (Genesis 28:15). That promise continues to all Christians today (Matthew 28:20). We should promise to always give our children the emotional support they need at any time and for any reason!

I promise to comfort you when you need it. God has promised comfort to His children (2 Corinthians 1:3-4). We should always be a great source of comfort and be available when our children need a shoulder to cry on, an arm to lean on, or a heart to tug on.

I promise to love you unconditionally. God loved us even while we were still sinners (Romans 5:8). Our children must always be confident in our love regardless of what happens in their life.

I promise to listen to you. One of the great things about God is that He is always listening to our prayers (Psalm 34:15). We should be no less as a parent and always be interested in what our children have to say as their opinions must be important to us.

I promise to forgive you. When God makes such a promise, He not only forgives the sin, He remembers it no more (Jeremiah 31:34). Our children need to know that when they come admitting their mistakes, we will always be there with open hearts and arms to forgive anything and everything.

Make and keep these promises to your children and you will be setting an example of the type of godly parents we were created to be!
