MEN'S CLASS IN THE BOOK OF ACTS

When: It will be the 2nd & 4th Tuesday of the month @ 7PM here at the building.

Beginning: Tuesday, April 9th. 2024

Why: The book of Acts tells the story of the spread of the gospel and the resulting conversions. In so doing, it gives us essential information about how to spread the gospel in our world today, how to turn that into conversions, and how to answer so many of the questions that the prospective convert or new convert is likely to have. Additionally, the book helps us to better understand the epistles to the various churches by showing how those congregations came into being.

How: Mike Bryant will lead the class utilizing a format that relies heavily upon student centered discussions. Those discussions will be far more effective and interesting if we have each put some thought into the discussion topics before class. To facilitate that, a few questions will be provided before each class in the hope that you will take a few minutes to prepare yourself to join in the conversation. There are Class outlines on the back table for preparation.

ENCOURAGING WORDS

Where Is Your Heart Located?

Everybody knows that their heart is on the left side of the body, for when the National Anthem is heard, our hand is placed over the heart as a sign of devotion to this land. There is, however, about one person in 10,000 that suffers from a medical situation where the heart is located in the right side of the body. It is not often fatal to have the heart located in the wrong place, but there is another fatal condition which is having the spiritual heart in the wrong place and is always fatal.

The Bible uses the word "heart" hundreds of times and almost never uses it to refer to the muscle which pumps our blood. It uses the word to refer to our inner being, our souls and our emotions. Who has not heard of the greatest commandment, to love the Lord with all our heart? Our love is tied to our hearts. Jesus indicated this when He said, *"For where your treasure is, there your heart will be also"* (Matt. 6:21). The context in which He said this is preceded by two commands: (1) Do NOT layup treasures for yourself on earth. (2) Do layup treasures for yourself in heaven.

Notice how vividly the Lord described the two options where our treasures, and therefore, our hearts, will be focused. Far too many are so focused on physical matters that their hearts are not heaven centered. There is no middle ground, for the verses that follow show that it is impossible for one to serve God and riches (mammon).

Now all of this is tied to the heart. Those in the world, and sadly many Christians, have their hearts located in the wrong place. There is no way anyone can live focused on the physical pleasures which money enables and stay focused on spiritual matters. Why? Because "...where your treasure is, there your heart will be also."
