ENCOURAGING WORDS

Hope for the Future

Imagine you have two men of the same age, the same socioeconomic status, the same educational level, and even the same temperament. You hire both of them and say to each, "You are part of an assembly line, and I want you to put part A into slot B and then hand what you have assembled to someone else. I want you to do that over and over for eight hours a day." You put them in identical rooms with identical lighting, temperature, and ventilation. You give them the very same number of breaks in a day. It is very boring work. Their conditions are the same in every way—except for one difference. You tell the first man that at the end of the year you will pay him thirty thousand dollars, and you tell the second man that at the end of the year he will be paid thirty million.

After a couple of weeks the first man will be saying, "Isn't this tedious? Isn't it driving you insane? Aren't you thinking about quitting?" And the second man will say, "No. This is perfectly acceptable. In fact, I whistle while I work."

What is going on? You have two human beings who are experiencing identical circumstances in radically different ways. What makes the difference? It is their **expectation** of the future. This illustration is not intended to say that all we need is a good income. But it does, however, show that what we believe about our future completely controls how we are experiencing our present.

We are hope-based creatures, and as Christians, we can "*whistle while we work*" because our hope is firmly planted in the Lord!

"If only for this life we have hope in Christ, we are of all people most to be pitied. But Christ has indeed been raised from the dead, the first fruits of those who have fallen asleep. For since death came through a man, the resurrection of the dead comes also through a man. For as in Adam all die, so in Christ all will be made alive." **1Cor. 15:19-22**
